WHAT IS ON MY OWN TIME?

On My Own Time was created in 1974 by CNY Arts in cooperation with the Everson Museum of Art.

Its goal is to create a bridge between business and the arts by encouraging local employers to identify, celebrate, and encourage creativity among their employees.

This joint effort promotes appreciation and support of the arts throughout our community!

It is art that makes life, makes interest, makes importance . . . and I know of no substitute whatever for the force and beauty of its process. - Henry James

PROGRAM OUTLINE

- ◇ On My Own Time begins in late February with a kick-off luncheon, where interested company representatives, CNY Arts staff, and volunteer adjudicators have a chance to meet informally, learn about program plans, and ask questions. (*Luncheon attendance is not necessary to participate.*)
- ◇ Once an organization makes the decision to join the program, it appoints a “company coordinator” as an On My Own Time program liaison.
- ◇ Participating organizations promote the event to their staff (and retirees, if desired), and schedule an exhibit of employee art at their work sites any time during April, May, or early June.
- ◇ Each company’s exhibit is adjudicated by a panel of volunteer judges who are professionally involved in the arts. Several pieces of artwork from each company’s exhibit are selected to be included in a cooperative Everson Museum of Art exhibit held in the fall.
- ◇ Each company coordinator transports two pieces of the selected artwork to CNY Arts’ professional photographer in July. The photos are featured in the On My Own Time catalog distributed at the Everson Museum of Art during the run of the exhibit.
- ◇ Company coordinators provide information for the catalog and a mailing list for reception invitations to CNY Arts by late August.
- ◇ Invitations to the On My Own Time reception at the Everson Museum of Art are mailed by CNY Arts (or distributed by the company coordinator, if preferred) in September.
- ◇ The On My Own Time Everson Museum of Art Exhibit opens in mid- to late fall and is open to the community for about one month.
