PURPOSE

APPLICATION INSTRUCTIONS

Applications must be completed and submitted online through Submittable via cnyarts.submittable.com and this private link: <https://cnyarts.submittable.com/submit/e81d3afa-470b-41d8-931d-e077a8a65c44/general-operating-support-2020>

If you do not already have an account with Submittable, you will need to establish one account. We highly recommend using a generic email address or the email for your Executive Director. All application-related notifications will be emailed to that address.

You will receive an email confirmation shortly after submittal. If you do not receive one, your application has NOT been successfully received and will not be considered for funding.

PROCESS

Awards will be based on a competitive panel review process. A panel comprised of arts and business administrators from around the State review each project on the basis of its own merits and against others in the application pool. Priority will be given to applications that meet the criteria published within these guidelines.

Each application is then submitted for a financial review completed by an independent Certified Public Accountant (CPA). Should the CPA have any questions, the organization will be given an equal period of time to submit a response to the inquiry. All reviews and organizational responses will be submitted to the panel for consideration and review.

Panelists perform evaluation and rating of funding applications made to CNY Arts. Panelists are appointed by the CNY Arts Board of Directors. Panelists are selected in October to serve in the fall of 2019. Each panelist is paid a \$125 stipend to participate and is vetted to ensure no conflicts of interest exist with any of the applicants.

EVALUATION

All applications are evaluated and scored on how well the application addresses the following panel criteria.
